**FUTURESOFT**<sup>®</sup>  
FOCUSED . FLEXIBLE . FUTURISTIC . FAMILY

## White-Labelled

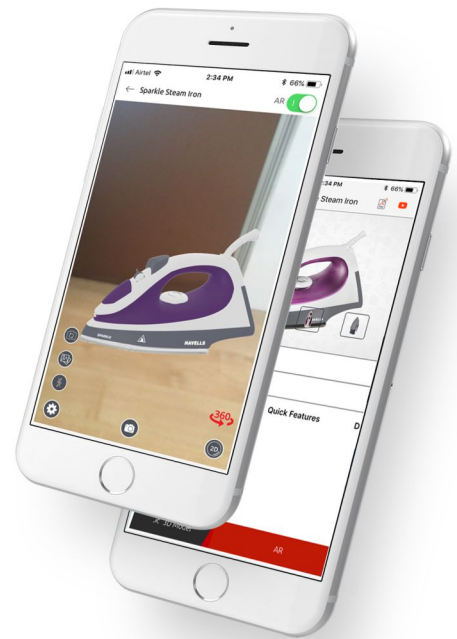

Spread the wings of your Brand and Digital Presence. Glorify keystone of your business - **Your Product Catalogue**

Trumplify enables you to showcase your products and features in a mesmerizing and an awe-inspiring virtual product catalogue. The best part being, you **OWN it FOREVER**. Being a white-labelled platform, your Brand is the frontend with Trumplify backend.

## Quick on Feet

One Stop Access to Manage Content Universally. Instant changes, Updates as per ongoing trends or keeping up with oscillating business scenarios – you are simply few clicks away to attain all of these. TRUMPLIFY's **Catalogue Management System** acts as a Universal Remote of your Digital Presence.

Got a new product launch, got to change or update product prices, got to completely delete the product, TRUMPLIFY's got it ALL. TRUMPLIFY's CMS scores high in the areas of flexibility, security and ease of use thereby getting you updated and up & running quickly.

## Enterprise Strength

Be it few hundreds or few thousands of catalogue items, TRUMPLIFY's ergonomics roar ruggedness and dependability. Paas or LaaS – take your pick; TRUMPLIFY's cloud ready to support both forms of implementation.

Trumplify enterprise strength enables you to take advantage of its robustness and security to launch your products in the market through an impressive Cataloguing System.

## Innovative Extras

Break free from coverage holes and connectivity issues; Attain peak performance and reliable accessibility. TRUMPLIFY's innovative offline features enable you to conveniently use the content locally from the device. A must have feature for your Direct Sales Team and Channel Partners.

Trumplify OFFLINE offering enhances the capabilities of your product by giving your customers a great ease of information access to your items without the need to have internet connectivity. With data networks either attaining high levels of congestion or caving in the depths of No-Connectivity, the OFFLINE Feature is a boon for the business portfolio and customer retention.

## About Us

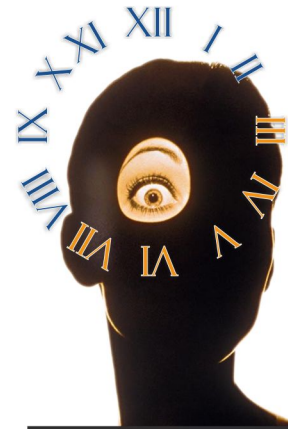

Started in 1988, FutureSoft India was born with the idea of making IT happen.

At FutureSoft, we imagine, create and deliver. Our team of innovative thinkers, academic coders, and analytical leaders is here to create a unique business experience for you. Our solutions are treated as tools to construct routes for the growth of your company.

We keep our head strong and believe in going on. Initiated with a few services, we now offer a leaflet of several digital solutions & services.

- **Cross Functional Skills**
